Neighbourhood Plan

QUESTIONNAIRE

your neighbourhood plan

Your opportunity to shape where you live

In 2012 local communities in England received the right to participate in one of the most important and significant powers of local government: namely, the power to establish a Neighbourhood Development Plan that will have equal legal status with the local authority's Local Plan once it has passed a referendum and been formally adopted by the local planning authority. The adopted Neighbourhood Plan has legal weight in decision-making on planning matters, unlike non-statutory tools such as parish plans.

Now, for the very first time you have an opportunity to have a real say in how our local area should develop. The future of our Neighbourhood Area really is in our hands!

How to complete and return your Questionnaire

We hope that every resident aged 18 and over will complete a Questionnaire. You can complete it either on this paper copy or online at: www.cmaw-neighbourhoodplan.org.uk/questionnaire. Additional paper copies can be obtained from Station Stores if needed.

Please complete and return your Questionnaire by Tuesday 20th September.

See inside back page for a list of drop-off points around the Neighbourhood Area.

We WANT to hear from you. Your views COUNT!

The Neighbourhood Area of Chapel & Hill Chorlton, Maer & Aston and Whitmore was designated by Newcastle Borough Council on 16 September 2015, giving local people the opportunity to shape the future development of this locality.

This Questionnaire provides you the opportunity to express your views and influence the future development of our Neighbourhood Area. Other community consultations will be held as preparation of the Neighbourhood Plan progresses.

We are inviting everyone aged 18 and over to express their opinions on a range of issues by replying to the Questionnaire. Evidence from this Questionnaire will be used to help develop the **Chapel & Hill Chorlton, Maer & Aston and Whitmore Neighbourhood Plan**. The Plan will contain policies and strategies to guide the development of the Neighbourhood Area up to the year 2033.

Why have a Neighbourhood Plan?

Newcastle-under-Lyme is currently preparing a Joint Local Plan with Stoke-on-Trent which is expected to be adopted by the end of 2018.

As part of the Local Plan decisions will be made about the numbers of new houses to be built. Our Neighbourhood Area will be expected to contribute its 'fair share' of these new houses.

The Local Plan will also contain policies on other aspects of land use in the plan area of Stoke-on-Trent and Newcastle-under-Lyme, such as for employment, roads and transport, recreation and a range of community uses. Further policies will deal with the environment, heritage and protection of wildlife areas.

The focus of the planners is very much towards the urban area, but what is appropriate for the urban area is not necessarily appropriate for the setting of the rural area, its communities and its economy. It is therefore very important for us to have a Neighbourhood Plan that sets policies that are appropriate for our small settlements and their rural context.

Our changing Neighbourhood

In the space of a lifetime the population of Whitmore parish has grown dramatically, due to development in Baldwins Gate, Whitmore Heath and Madeley Park Wood. On the other hand, the populations of Chorlton and Maer & Aston parishes have declined slightly.

Over the same period the local economy has changed significantly. Agriculture now employs fewer people. Some of our residents have small businesses that they run from home. Commuters form a significant part of the population and the disappearance of local and mobile shops has forced us to become reliant on the urban area, while public transport to take us into town has declined.

What a Neighbourhood Plan will do

We need a Neighbourhood Plan to control the way that development happens and to ensure that it respects the character of the Neighbourhood Area, is beneficial to the community and makes a positive contribution to the local economy. This is essential if our community is to thrive, but these matters will not receive the necessary level of attention in the Joint Local Plan, which will be more strategic in its focus.

Our Plan can set policies for where new houses are built, for the size of developments and the design of dwellings. This will help to ensure that houses are built in the places where the community feels they will be most beneficial. It will enable us to control the appearance of new developments and ensure that they respect and blend in with the rural character of what already exists.

A Neighbourhood Plan will enable us to identify and plan for the facilities and services that are needed by our growing and changing population. We need to identify →

our needs in terms of shopping, recreation, sport, leisure, facilities for local businesses, transport, road safety, and our rural environment and heritage.

The completed Neighbourhood Plan must be approved in a Neighbourhood Referendum. If it receives approval it will be adopted by the local authority and become part of the Local Plan. It will have legal standing and planning officers will have to refer to the Neighbourhood Plan’s policies when deciding planning applications.

Why a questionnaire?

The success of the Neighbourhood Plan will depend on the

participation of the community. In a series of Roadshows last November and December participants helped to identify issues facing the Neighbourhood Area.

This questionnaire is designed to elicit your opinions on some of the important issues that must be considered as we plan for the development of our Neighbourhood Area. By identifying needs and planning to meet them we can plan for a healthy, vibrant local community and economy; and we can plan for growth and change that do not conflict with the rural environment and landscape that we all love and that are the reason why so many of us came to live here.

HELP WITH YOUR QUESTIONNAIRE

We will have a stall at the Family Fun Day at Whitmore Village Hall on Saturday 17th September, 11am to 4pm. Please come and see us if you need help with completing your Questionnaire.

NOTE: Throughout this Questionnaire “Neighbourhood Area” refers to the three parishes of Chorlton, Maer & Aston and Whitmore – please see Map on the back of this booklet.

Definitions

Green Belt: The purpose of the Green Belt is to stop urban sprawl; to prevent neighbouring towns merging into one another; to safeguard the countryside from encroachment; to preserve the setting and character of historic towns; to encourage the recycling of derelict and other urban land. The Green Belt extends from Newcastle as far as the West Coast Mainline. It covers most of Whitmore parish and a small part of Chorlton parish.

Open Countryside: Open Countryside is the land beyond the Green Belt boundary. All the land to the west of the West Coast Mainline is Open Countryside. National planning policy recommends against new isolated homes in the countryside, except in special circumstances.

Village Envelope: The Village Envelope of Baldwins Gate creates a boundary beyond which development will not normally be permitted. Since 2013 planning permission has been given to two sites adjoining but outside the Village Envelope, at Watering Close and Gateway Avenue.

- In which parts of the Neighbourhood Area it would be best to build
- Specific features to be included in the new properties, e.g. garden, office space, accommodation for dependents (e.g. granny flats)

Call for Sites

If you have land or vacant / disused buildings that you wish to put forward for housing or business development we would like to hear from you. Please contact the Neighbourhood Plan Steering Group by e-mail to: cmaw-neighbourhoodplan@hotmail.com.

There is no guarantee that any site put forward for development will be allocated for development in the Neighbourhood Plan. Submission of a site does not give it any formal planning status. Any sites that are allocated for development in the Neighbourhood Plan would still need planning permission before development could take place.
